Team Safety, Inc.'s FlipBook Training System™

Team Safety Inc.'s unique training system can be used in an office, shop, or field environment. Each system includes a safety topic and supervisor/team leader activity prompts for each working day of the year. Content emphasizes the Safety/Fitness connection and promotes daily safety activities such as near miss, unsafe acts, unsafe condition, and safety suggestion reporting. Includes quizzes and answers on program content. Team leaders can manually record report data, or use ActivelIPP™ to report team participation in daily activity.

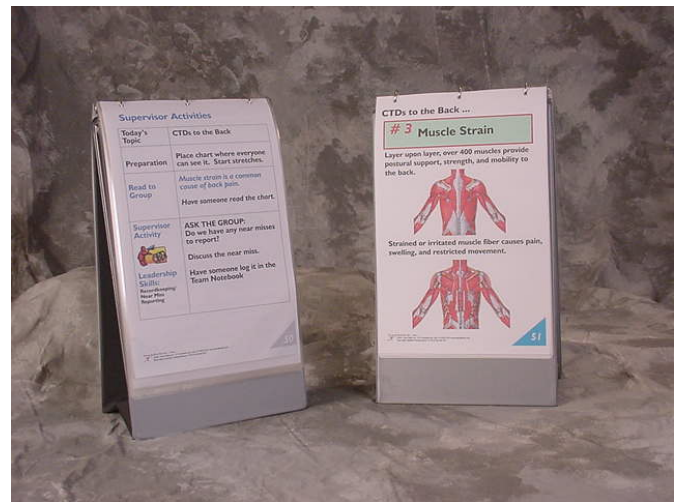

First Year FlipBook System:

- ❑ One sturdy, 12 x 22-in. A-frame binder.
- ❑ 220 daily safety topics.
- ❑ 220 Team leader activity instructions.
- ❑ 2 pads of 50 ea Safety Improvement Report Cards.
- ❑ Quiz Masters with Answer key.
- ❑ Leaders Guide with tips on organizing teams, how to motivate participation and creating a recognition and reward system.

Price: \$495.00. + Shipping and Sales Tax in California.

Additional Safety Improvement Report Card packets, \$2.50 ea.

Order Now: order@teamsafetyinc.com

Fitness Stick Caddy:

- ❑ Holds up to 30 Fitness Sticks.
- ❑ Sturdy PVC with handle cutout for easy stick management and transportation.

Price: \$49.95. + Shipping and Sales Tax in California.
